

RECOMMENDATION FORM

to be by an academic teacher or an adult in the community
(do not ask family members)

Student name: _____

The student named above is requesting that you provide a recommendation for admission to Building STEPS. Building STEPS is a non-profit organization that exposes high achieving students to science and technology-based careers. The multi-year program, supplementing each student's classroom learning, includes off-campus seminars, a summer internship, college counseling and alumni services.

Please complete this form and return to student in a sealed envelope by _____

How do you know this student?

Provide an example of how this student exceeded your expectations.

Why would you recommend this student for participation in a competitive program such as Building STEPS?
